

Recommendation letter (Educatory Academy)

Re: Han Htoo Aung

To: SIM Scholarship Selection Committee

May 21st, 2024.

I am writing to wholeheartedly recommend my GED student, Mr. Han Htoo Aung, for the scholarship to pursue a degree in Information Technology at Singapore Institute of Management (SIM). I am Chaw Su, founder and GED instructor at Educatory Academy, where Han Htoo Aung has demonstrated exceptional academic prowess and dedication to his studies.

Han Htoo Aung's academic achievements are truly remarkable. He attained a high score of 182 in Mathematics, 165 in Science, 161 in Social Studies, and 159 in Language Arts, respectively, in his GED examination. In addition, he scored 7 overall in IELTS as well. His outstanding performance showcases his exceptional aptitude for analytical thinking, problem-solving, and technical inquiry. Han Htoo Aung's mastery of these fundamental subjects demonstrates his readiness for the rigors of higher education in the field of Information Technology.

Han Htoo Aung's interest in Information Technology is evident in his choice of study. His stellar performance in Mathematics and Science, coupled with his evident passion for technology, make him an ideal candidate for this program. His academic background and enthusiasm for the subject indicate his preparedness to excel in Information Technology studies at SIM.

Han Htoo Aung's pursuit of a scholarship to study Information Technology at SIM is a testament to his commitment to academic excellence and his desire to contribute meaningfully to the field. As a scholarship recipient, he will have the opportunity to further develop his skills and knowledge in Information Technology, ultimately contributing to technological advancements and innovation.

In conclusion, Han Htoo Aung is an exceptional candidate for the scholarship at Singapore Institute of Management. His outstanding academic achievements, coupled with his passion for Information Technology, make him a highly deserving recipient of this scholarship. I am confident that Han Htoo Aung will excel academically and positively contribute to the Information Technology Department at SIM.

If you require any further information or have any questions regarding Han Htoo Aung's qualifications, please feel free to contact me. Thank you for considering Han Htoo Aung's application for the scholarship at SIM. I am optimistic that he will make significant contributions to the field of Information Technology.

Yours Sincerely,

Recommendation letter from Tr. Aung Phyo Zin (GED instructor)

Subject: Recommendation for Han Htoo Aung's University Application and Scholarship

Dear Selection Committee Members,

I would like to express my sincere support for Han Htoo Aung's admission to your prestigious university and his candidacy for the scholarship program. Having watched Han Htoo Aung's academic journey, as his GED instructor at Educatry Academy, I can confidently recommend him for this opportunity.

Academic successes attained by Han Htoo Aung, such as his top grade in primary school and subsequent nomination for a scholarship, bear witness to his dedication to education. Furthermore, he demonstrates a solid foundation in language proficiency and general education through his pursuit of GED studies at Educatry Academy and IELTS English.

Han Htoo Aung showed remarkable discipline and determination throughout my classes. He actively participates in group projects and is characterized by teachers as an adaptive learner. Notably, he has shared personal experiences that demonstrate his enthusiasm for engineering, like his love of playing Minecraft, building Lego structures, and learning the basics of Python programming on his own.

Han Htoo Aung expresses a strong desire to work as a professional IT engineer in his personal statement. He talks about his experiences and goals, which are not always evident in the classroom, like making instructional games and websites to raise kids' IQs and develop their critical thinking skills. He also states that he wants to defend against cyberattacks and advance the field of information technology.

It is significant to note that I may not have personally witnessed all of the experiences and accomplishments listed by Han Htoo Aung in his personal statement. That being said, I think his reflections are genuine and he has given valuable context for these experiences.

I wholeheartedly endorse Han Htoo Aung's request to be admitted to the university and have his scholarship application taken into account. He is a passionate and committed individual who will surely make a positive contribution to your organization. Kindly send me an email at apz.aunphyozin@gmail.com if you have any more questions.

Sincerely,

Aung Phyo Zin (GED Instructor, Educatry Academy)

Recommendation letter from Tr. Saw Nay Doon (IELTS instructor from Smart Academy)

Date: January 25, 2024

To Whom it may concern,

I am Saw Nay Doon, who is a Senior Head Instructor of Smart Academy with over 13 years of teaching experience.

It is with great pleasure that I write this recommendation letter for Han Htoo Aung, who was a student of mine in the IELTS preparation course. As an instructor who has taught numerous students with different abilities and aspirations, I can confidently say that Han Htoo Aung is among the brightest and most dedicated individuals I have had the privilege to teach. His intelligence, comprehension, and passion for learning were truly remarkable.

Han Htoo Aung consistently demonstrated high intelligence and analytical thinking throughout the IELTS course. He effortlessly grasped complex concepts and was able to apply them in practical scenarios. He frequently engaged in class discussions, contributing thought-provoking ideas and perspectives that enhanced the learning experience for his peers. His ability to absorb information quickly and accurately was undoubtedly impressive and stood as a testament to their intellectual capabilities.

Furthermore, he possesses an uncanny ability to not only comprehend intricate passages and academic texts but also to extract key information efficiently and effectively. He exhibited excellent critical thinking skills by thoroughly analyzing and independently synthesizing information from various sources, thereby showcasing their comprehension abilities at a graduate level.

In conclusion, Han Htoo Aung is undoubtedly an exceptional student with superior intelligence and comprehension skills. His dedication to academic excellence, evident from his active participation in class and thirst for knowledge, make him an invaluable asset to any graduate program. Therefore, I strongly recommend him for admission to your esteemed institution, as I firmly believe he has all the qualities necessary to excel in his chosen field of study.

Please feel free to reach out to me should you require any further information or clarifications regarding Han Htoo Aung's abilities and performance during their time in my class.

Sincerely,

Mr. Saw Nay Doon
